The map shows a network of lines connecting various mine locations. Hudson Coal Co. operations are listed on the left, including Forest City, Carrowsdale, Mine Run, and others. Independent companies are listed on the right, including Steelbrook, Leipsville, Mine Run, and others. Lines connect these locations, indicating a shared infrastructure or service area.

None. All operations worked days except occasionally when overtime necessary incidental to production. The above figures based on the daily average loading year 1929 representing the Coal Companies ability to produce incidental to All Car Supply and Favorable Mining Market and Railroad Conditions. (Contribution based on working days)
