

ENTERED IN DEED BOOKS
IN THE OFFICE FOR RECORDING
DEEDS IN THE LACKAWANNA CO.

Every column and line on this page must be filled by the Recorder with the appropriate information so far as given by the deed, and one horizontal line must be devoted to every separate parcel of land described in the deed, except in deeds conveying several lots, designated by numbers or letters, all in the same block; similarly designated, when all such lots, if space permits, shall be shown on the same line; and in the proper column there must be shown the whole number of separate parcels of land described in the deed.

The names of months shall be abbreviated in conventional form. All numbers and years are to be expressed in Arabic figures. One horizontal line is to be devoted to every day, and whenever a second, or other post grantor, immediately on the next line follows a first or other pre-registered grantor in the same deed, the special column describing land to all the grantees commonly conveyed, on the horizontal line devoted to the second or other immediately following subsequent grantor shall all be filled by the one of the word "same."

OVER

Every column and line on this page must be filled by the Recorder with the appropriate information so far as given by the deed, and one horizontal line must be devoted to every separate parcel of land described in the deed, except in deeds conveying several lots, designated by numbers or letters, all in the same block, similarly designated, when all such lots, if space permits, shall be shown on the same line; and in the proper columns there must be shown the whole number of separate parcels of land described in the deed.

The amount of months shall be abbreviated in conventional form. All numbers and years are to be expressed in Arabic figures. One horizontal line is to be devoted to every grantee, and whenever a second, or other joint grantee, immediately on the next line follows a first or other preceding grantee in the same deed, the special return describing land to all the grantees commonly conveyed, on the horizontal line devoted to the second or other immediately following subsequent grantees shall all be filled by the use of the word "anna."

 GRANTEES' INDEX TO DEED BOOKS
 IN THE OFFICE FOR RECORDING
 DEEDS in and for LACKAWANNA CO.

Every column and line on this page must be filled by the Recorder with the appropriate information so far as given by the deed, and one horizontal line must be devoted to every separate parcel of land described in the deed, except in deeds conveying several lots, designated by numbers or letters, all in the same block, similarly designated, when all such lots, if space permits, shall be shown on the same line; and in the proper column there must be shown the whole number of separate parcels of land described in the deed.

OVER

GRANTEES INDEX TO DEED BOOKS IN THE OFFICE FOR RECORDING DEEDS IN AND FOR LACAWANNA CO.

Every column and line on this page must be filled by the Recorder with the appropriate information described in the deed, except in lands conveying several lots, designated by numbers or letters, all in the block, similarly designated, where all such lots, if space permits, shall be shown on the same line, and in the proper columns there must be shown the whole number of separate parcels of land described in the deed.

The names of months shall be abbreviated by conventional form. All numbers and years are to be expressed in Arabic figures. One horizontal line is to be drawn to every grantor, and whenever second or other joint grantor, immediately on the next line follows a first or other preceding grantor to the same land, the special column describing land to all the grantees commonly conveyed, on the horizontal line drawn to the second or other immediately following subsequent grantors shall all be filled by the use of the word "same".

E. J. Walsh, M. B. N. R. EST. N. R.

GRANTEES' INDEX TO DEED BOOKS
IN THE OFFICE FOR RECORDING
DEEDS in and for LACKAWANNA CO.

Every column and line on this page must be filled by the Recorder with the appropriate information so far as given by the deed, and one horizontal line must be devoted to every separate parcel of land described in the deed, except in deeds conveying several lots, designated by numbers or letters, all in the same block, similarly designated, when all such lots, if space permits, shall be shown on the same line; and in the proper column there must be shown the whole number of separate parcels of land described in the deed.

Consolidated 1898-1924, Printed July 25, 1927, E. S. White, Franklin, Pa.
